### Daymon Acessippi

Thank you so much for your continued support! The car looked incredible and the acessippi colour scheme was awesome! We are doing such amazing things together and our following just keeps growing. I have been so proud to represent Acesippi in the WE and looking forward to more WE workers coming to enjoy your amazing slope & team! I don't take your support for granted and seriously appreciate it! Although this year we didn't win the rally, the feel across the community is that we won the people! As always, I'd love for you to come over and see us rally but until then, I will try and get myself and my wife out to visit. The beers will certainly be on me!! ☺  
Big love to the Best Canadian Supporters!  
Kindest, Fergus & Heather

We would like to express our sincere appreciation for your support of our Varsity Boys Volleyball Provincials. Your generosity has made it possible for us to host these events and we are truly grateful. Our community is incredibly fortunate to have such supportive local businesses. On behalf of the boys volleyball team, thank-you for your continued support.

**Message From Daymon...**  
Yes, it was a cold snap these past few weeks, but that's Manitoba! It happens regularly. The advantage is that when it is -10, it feels like a hot day and we are ready to go out and play. We are now in the next/last 2 months of great ski season, the weather looks great, and it's time to make money! You are all known to be very friendly and kind to our guests so I ask you to be over-the-top friendly, gracious and kind to our guests.  
A few shout-outs:  
-to the F & B department - during this cold snap they were still up 10-15% over this past week last year. It's incredible to have any growth at all when it's cold.  
-to Marianne and her Subway team as they continue to rank top 5 in Canada,  
-to Housekeeping for what they are about to encounter. Every year at this time, they have an insane amount of laundry that needs to be handled every day. Stop by and check it out on your way by. You will be amazed!  
Enjoy these days filled with energy and buzz...DG
