Message from Daymon...

From wearing my Padcom hat, I am extra thankful for the good weather that we have enjoyed in September and into October. Padcom is going through a very important expansion that has to be completed by October 31 and this weather is crucial to us. More details to follow up upcoming newsletters...

Thank you to our scarecrow people - you have done an awesome job! I'm so proud of our scarecrows - they're soooo well done.

I'm also very thankful for the strong business we've had in September and October. I hope you all had a wonderful Thanksgiving!

Lobsterfest season + ski season + Christmas party season + potash-making season is just around the corner now ☺

Well done, Keyk.Co! Great Entrepreneurship!

Starting out as a home-based business, then building his clientele and now taking it to the next level, Jerry Pestano has just moved to his flourishing business to the Ag building on Main Street. What is very proud to play a small role in Keyk.Co being able to open a storefront on Main Street Russell. Keyk.Co's soft opening was this past week and was sold out before the day's end.

most impressive is that Jerry is investing in a small business in our community which will no doubt, grow and grow. It takes this kind of guts and backbone to have our community grow, which we clearly are doing! And we hope that Keyk.Co grows until they are 10X as busy as before! As we are all about building the community's small businesses, The Russell Inn and Padcom are

Their **grand opening** celebration will be held on Saturday, October 18, 2025 from 1 - 7 pm with special guest, the Hon. Minister Malaya Marcelino.

Jerry is one of our very own as he came to Canada only 12 years ago to work as a Food Counter Attendant at our Tim Hortons. We are super proud of you, Jerry and wish you all the best!

Welcome to Russell - Binscarth

As part of the Russell's annual Beef and Barley festival, the kick-off has always been the "Welcome to Russell" event. What might now be called the Welcome to Russell-Binscarth event, it was held at the George P. Buleziuk Centre, with The Russell Inn occupying 3 of the 8 tables ☺ Beef and Barley soup was served by TinHouse and newcomers were welcomed first with a short video, and then with some personal introductions about what brought them to our community and what they love most about their new home. This event is open to anyone and is a great way to make new friends. Thank you to our staff and managers for attending.

C-Store Scarecrow Contest Winner!

Russell Beef and Barley's annual scarecrow contest always brings some humour to the festival and this year was no exception. We

seemed to really have fun with the theme, Heroes and Villains, the prize for Best Business was awarded to the C-Store for our scarecrow trio. Our scarecrows were really awesome this year! Last year, we won Best Business for the Inn's entry. Thank you for everyone who participated in this event.

Super Sunday is Back with Improvements

Super Sunday is back but with some big changes that saw our pumps **lined up** at the C-Store on Thanksgiving Sunday. After it's successful run in the spring, and then a pause for our busy summer months, we figured it would be a good kick start for the slowing fall season. This time, it returns with a

\$20/litre discount (WOWZA) as well as a chance to win a prize each week with all names being returned to the draw bin for a chance to win a GRAND PRIZE valued at \$500! This amazing promotion will run every Sunday until December 14th from 5 - 9 pm. Follow our socials for photos of the winners of the weekly draw.

Meanwhile, in food and beverage news, we have some NEW daily Kristie's pub specials as well as some new everyday promotions (pictured right). Bring your friends and visit Kristie's to take advantage of these great deals.
